Warranty Return Information & Procedure

Step #1: Contact Green Filter About Issue

Send pictures to csr@greenfilter.com showing the issue with the filter. Please also include your receipt or order number, year the filter was bought, and where you bought the filter. *You can also call us to discuss the issue as well, if preferred.* We will assign you an RGA # when you reach out. **Do not send a filter back without receiving an RGA # from us. This may result in lost warranties.**

Step #2: Sending back old filter (if requested)

In some cases, we may request the old filter to be sent back to be further inspected. Please send the filter and this form back to the address below. You will be responsible for the shipping charges to send the filter back. Once the old filter has been received, we will send out the replacement filter *completely free of charge and free shipping charges.*

Please send this form and the filter to:
